PREZ SEZ

Things are a happenen. We have another new Club member, Larry Phillips. Larry's car of choice is Camaros. He has a '77, '71, & '68. I understand the 77 & 71 will be for sale in the near future to finance the 68.

Looking forward to the road trip to Mike Hall's in the future. Bring a friend, a child, or anyone interested in cars.(Prospective new member)

Still looking for Activity& Charity ideas. Had some good brain storming last meeting, only problem not very many members were present to take part.

We need "GET WELLS" for Jo Drummond & Jay Willey.

Election of officers for 08 is just around the corner. Need to be thinking of who you would like for candidates.

See everyone at the next meeting Sept 16 (Sun) 6:00 pm,

Hi

The next club meeting will NOT be on the 13th at Mike Hall's Ford Collection in Newton. The trip to Mike's will have to be a short one--he goes to bed early (a farmer).

The following directions to Mike Hall's place in Newton is just our club members. From Dieterich take 33 east to Wakefield-Bogoata road---turn south-go 12 miles to road 100n--turn left--go 1 mile to road 800---turn right--go 5/8 mile--Mike Hall is on right side of road--mail box # 432

Spanky

Hi everyone!

First of all, I want to thank the Willey's for taking charge of the newsletter once again. The past few months have been kinda crazy for me, and unfortunately I fell behind in a lot of my extracurricular activities. The newsletter and web site was included :(I think I am almost back to 100% now , and things should be better from here on out!

I did a HUGE update to the web site today. (Long overdue I know) I added a TON of car shows to the event calendar. Updated the newsletters, updated the meeting information, and added the link to the Paris Beacon article on the front page. And I added the 2008 Swap meet information. Whewww!

If there is anything you would like to see added/changed on the web site feel free to let me know. I apologize for the delay in the past. I am going to plan on updating the web site every Tuesday morning from here on out. That will give anyone time to submit via email pictures or articles from events over the weekend. Anything you want on the site, I can put there.

Thanks guys and I hope to see you all soon!

Keep on Cruisin!
Becky

Club Member Update

Jay Willey had back surgery on Sept 4th at Carle Clinic in Champaign. He had a large herniated disc and is now recovering well at home. He should be back on his feet in a few weeks with a lot of physical therapy. This is the first time in 20 years that Jay could not attend Frog Follies!
